VETERAN'S GOLF

- Veteran's golf is played each Tuesday with a shotgun start - check club for starting time.
- Regular games are single stableford while the last Tuesday of the Month will usually be a draw for partners to play a four ball competition.
- Players compete each Month for a Monthly Mug.
- The mug goes to the person with the best total stableford points for the first 3 weeks of the Month.
- New players are most welcome. Just turn up and you will be organised into a group.
- Players compete for Division Championships each year. This is decided by taking each players best score for the month and then adding their best 8 for the year.
